

Sigma Tau Delta | March 2020

Student Leadership Committee Meeting

Wednesday March 25 | 5:00-6:00pm

Minutes

1. Budget Cuts
 - a. Cutting down prizes/rewards for game night – SLs could reach out to local businesses ahead of the convention and see if anyone would donate prizes.
 - b. Keeping the event and workshop to a minimum – advantage of using game night is that we've already covered upfront costs and it is fairly easy for SLs to run and implement moving forward.
2. Attending the Board Meeting – be prepared to present any updates to your board report
3. Responsibilities for SRs/ASRs during this transition
 - a. Meetings (look for a Doodle poll in the coming week):
 - i. In the Next 2 Weeks...
 1. Meet & Greet and Training: Outgoing and Incoming SLs
(Outgoing SLs will only attend the Meet & Greet and be dismissed before the training)
 2. Regional Meetings: Outgoing, Incoming, and Regents meet together (Also SAs as available)
 - ii. April Monthly Meeting: Outgoing and Incoming SLs
 - b. Outgoing SLs will be kept in the Facebook group through the summer months to serve as a resource for the new leaders
4. Outlook Email – Transitioning to Microsoft Teams
 - a. Make sure to send Microsoft emails to Katie to be added to teams.
 - b. Using this platform will allow for a chat, sharing of files, and monthly meetings to all take place on one platform.
 - c. Facebook can be fallen back on if needed; otherwise that group could be used more conversationally and for SLs to share thoughts and resources with each other.
