AGENDA

7:30pm Welcome and Opening Question: What are you most proud of from your time on SL?

- Regional conferences

7:40pm Considering virtual options for future conventions

- Live-stream paper presentations or record them to be streamed during/after convention
- Potentially round tables in the same fashion
- Hold round tables virtually as was done this year
- Provide virtual access to abstracts, etc.
- Host a virtual social event (like trivia night)
- Check with featured speakers on the possibility of recording/streaming their presentations

Summary of suggestions: Prioritize virtual roundtable opportunities, live Q&A with featured speakers, and opportunities for social connection (both structured through events like a trivia night and unstructured through virtual coffee/happy hours).

By April 15, review, and if needed, make recommendations for a written process for the recruitment, retention, and mentoring of future student leadership for inclusion in the Student Leadership manual.

Potential ways to encourage applications:

- Reminders/details in Facebook groups

- Emailing convention attendees
- *Brainstorm ways to encourage application at convention next year
